DDI: MC03_LE2_LE3

Criteria	0	1	2	3	4	Weight
Prior Knowledge, insights and learning results	not answered		incomplete documentation		Complete documentation; learning success documented	1
Selection NoSQL DB	DB not suitable		DB suites not perfect		DB suites	2
Definition of the problem	not explained				Well explained, suits NoSQL	4
Konzeptual model	not present		obvious errors	no errors, explanation missing	no errors, good explanation	2
Relational model	not present		some errors	some minor errors	complete, all attributes, all FK and PK	2
NoSQL model	not present		incomplete or not suitable for use case		complete and provably optimised for use case	2
Realisation relational	not present		some errors or incomplete		complete and correct	1
Realisation NoSQL	not present		some errors or incomplete		complete and correct	1
Criteria	not present		not fundamental or not comprehensible		fundamental and comprehensible	4
Loading DB	not present		some errors		complete, no errors	1
Measurement results	not present		incomplete		present and comprehensible	2
Comparison of measurements	not present		vague statements		provable and comprehensible	4
